- Belgian Certified Auditor (Instituut van de Bedrijfsrevisoren)
- 20 years of audit experience

Background:

- Master degree in Business Economics, specialized in Accountancy & External Audit (Ghent University, 2002)

Competencies:

- Fluent in Dutch, French and English
- IFRS and US GAAP accredited within EY

Experience:

- Eef has extensive experience in providing a broad range of services to a variety of clients, mainly in the consumer products and retail sector
- She has developed relevant expertise in Belgian GAAP and IFRS reporting, specifically focusing on the coordination and audit of consolidated financial statements and in auditing and advising Belgian based groups
- Eef has solid practical experience in special legal engagements (carve-outs, contributions in kind, liquidations, mergers, ...) as well as working with and reporting to audit committees and workers' councils
- She can be described as hands-on and no nonsense; Eef works in a structured and project-based manner, with an eye for the quality of her files without losing sight of the customer relationship
- She has throughout her career served multiple smaller and mid-sized companies with a high degree of client satisfaction
